

## Billiards Club

Carriage Manor's very active Billiards Club maintains one of the finest Billiards facilities in the East Valley. Our Billiards Room has 10 Brunswick Gold Crown tables and top quality Billiards equipment. Because of this, we are asked to host several All-Star Shootouts and 9 Ball Competitions each season.

There are four men's teams and two women's teams that play in inter-park leagues throughout the Valley. The Club also hosts an annual in-park CanVAm Tournament, as well as singles and doubles Club Championships. There is a weekly Open Doubles Competition with the teammates being drawn at random. One night a week, there is Open Mixed-Doubles play.

Each January the Billiards Club prepares and serves a Spaghetti Dinner, an event which is looked forward to by nearly 700 people each year. This provides much of the funds to maintain the high quality facility that our club has become known for.

Popular beginners' instruction seminars are held throughout the season that attracts both new and longtime residents. The Room is open to all residents and accompanying guests at any time when scheduled events are not in session. While Club membership is not mandatory for use of the Room, we do encourage any residents who plan to play regularly to join so that we can remain as self-sustaining as possible. Annual dues are only \$10.00 per year. Shared equipment lockers are available for club members at a nominal fee.
