Subject: Carriage Manor - COVID-19 Update of Association Closures

Importance: High

3/31/2020

Dear Carriage Manor Residents,

On March 18th the decision was made to close all rooms in the Clubhouse, Craft Building and Fitness Center with the exception of the Laundry Room and Lobby, I would like to acknowledge that we did receive feedback from many residents both in support and opposed to that action. Please know the well-being of our residents and the community as a whole is of the utmost importance to myself and your Board of Directors in terms of the current COVID-19 pandemic. In light of Governor Ducey's Stay At Home Executive Order yesterday, we want to be abundantly cautious and are now taking the following additional actions effective today at 5:00PM per Governor Ducey's timeline, until further notice.

Court Closings:

- o Tennis
- o Pickleball
- o Bocce
- o Shuffleboard
- o Horseshoes
- o Putting Green

Re-opening of any and all facilities will only be considered when Federal/State/Local authorities give directive removing current restrictions regarding COVID 19.

Security will continue to be onsite 24/7, Physical Properties will continue to maintain the Common Areas, Administration and Realty Offices will continue to function.

We have included links to the CDC website. Please stay informed and stay well. <https://www.cdc.gov/>
