

I retired as a Claims Representative for the Social Security Administration where I performed interviews to determine eligibility for benefits.

I have held the position of President for the La Crosse Area Quilters Guild, served on the board of the YWCA and acted in an advisory capacity for the Pump House Regional Arts Center in La Crosse WI.

I have served as the secretary of the Pickleball Club and Karaoke Club.

I have volunteered in the Activities Office, the Patio Grill and the front desk at Carriage Manor.

Volunteerism is important to me and I've acted as a volunteer in many areas including serving community suppers, as a hospice volunteer, a mentor in the Literacy Program and assisting midwives using massage therapy.

I feel I've learned a lot in my first two years on the BOD and would like to continue this service.
