

Rick Gaustad

I am seeking another term on the Carriage Manor BOD.

I believe that we have a great place to live and I want the future to be even better. My wife and I have owned property since 2014. We bought from my parents and have been full time residents for almost seven years. Carriage Manor has a remarkably diverse population with many competing interests, and I believe we need to serve all of you. I would like to see our resort maintain its high standards and continue improvement of our facilities, services, and amenities to add new enjoyment opportunities.

I served this first term during an unprecedented time. I am currently the Board Liaison to the ARC and previously served as a member of the committee for 1 year. Previously I served on the Long Range Planning committee for 2 years. I have also volunteered for many other activities and clubs throughout our wonderful resort.

I believe that we can get through this pandemic and would appreciate the opportunity to continue to serve all the residents at CM.
